

Monroe County Board of Commissioners
500 Whitehead Street
Key West, Florida 33040

DATE : February 04, 2005
SUBJECT: Public Records Tampering
ATTENTION: Chairperson

Dear Sir or Madam,

Please be advised I am following up on a case that was being investigated by Senator Bob Graham at my request. His successor Mr. Martinez will carry forward I believe.

This matter pertains to a scheme unraveled regarding the tampering with public records in Monroe County. Whereby properties are deeded to criminals and someone within the courthouse is facillitating the theft.

Please advise when this matter may be placed on the agenda for public discussion. Private attempts at resolution have failed, needless to say because the conspirators only deny. My purpose in a public address is to provide evidence, documentary and testimony of victims, and what the Commissioners will do to correct the matter for public good.

Kindest Regards,

AJ McClung
